DETAILED REQUIREMENTS OF THE REQUEST FOR PROPOSAL FOR AUDITOR

Purpose:

The following procedures are designated to provide for a fair and open process in awarding professional services based on qualifications, merit and cost effectiveness through accessible advertising. Services include annual appointments and day-to-day programs, projects and contracts.

Scope of Services: TOWNSHIP AUDITOR

Any persons or firms interested in providing professional services to the Township of Mantua ("Township") as defined in the New Jersey Statutes, *N.J.S.A.* 40A:11-2(6).

1. **Appointment of Township Auditor.** An independent auditor shall be appointed by the Township Committee (hereinafter the "Committee") pursuant to general law, by a majority vote of its membership for a term of one (1) year from the first day of January in the year of his appointment and until his successor is appointed and qualified. He shall receive such compensation as may be agreed upon and determined by the Committee.

2. **Requirements.** The Auditor shall be a registered municipal accountant of the State of New Jersey, but need not be a resident of the Township. In lieu of appointing an individual auditor, the Committee may appoint a firm of auditors, one (1) or more members of which shall be a registered municipal accountant of New Jersey.

3. **Duties.**

The Township Auditor shall:

A. Act as the Township Auditor and employ at the Auditor's expense such personnel as are deemed necessary to carry on the duties prescribed for the Township Auditor.

B. The Auditor shall audit the Municipality's financial statements of the various funds for the year ending December 31, 2025 and all other related statements and supplementary schedules prepared in conformity with the Requirements of Audit as promulgated by the Division of Local Government Services, Department of Community Affairs, State of New Jersey for the year then ending, for the purpose of expressing an opinion on them as to whether these financial statements are fairly presented, in all material respects, in conformity with accounting practices prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey, which is a comprehensive basis of accounting other than accounting principals generally

accepted in the United States of America.

C. The Auditor shall conduct the audit in accordance with auditing standards generally accepted in the United States of America, Government Auditing Standards, issued by the Comptroller General of the United States and in compliance with audit requirements as prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey.

D. The Auditor will present for purposes of additional analysis the Schedule of Expenditures of Federal Awards and Schedule of Expenditures of State Financial Assistance, and all related disclosures, if required under the Single Audit Law. Although they are not necessary for a fair presentation of the basic financial statements for the year ending, these schedules are required by the Department of Community Affairs, State of New Jersey; Federal Circular A-133, Audits of States, Local Governments and Non-Profit Organizations; and Circular 04-04-OMB, Single Audit Policy for Recipients of Federal Grants, State Grants and State Aid Payments. This information, if necessary, will be subjected to the tests and other auditing procedures applied in the examination of financial statements.

E. The Auditor's audit of the Township's financial statements shall include examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; therefore, the audit will involve judgment about the number of transactions to be examined and the areas to be tested. The Auditor will plan and perform the audit to obtain reasonable rather than absolute assurance about whether the financial statements are free of material misstatement, whether from errors, fraudulent financial reporting, misappropriation of assets, or violations of laws or governmental regulations that are attributable to the Township or to acts by management or employees acting on behalf of the Township. The Auditor will inform the Township of any material errors that come to the Auditor's attention, and will inform the Township of any fraudulent financial reporting or misappropriation of assets that come to the Auditor's attention. The Auditor will also inform the Township of any violations of laws or governmental regulations that come to the Auditor's attention, unless clearly inconsequential.

F. The Auditor's procedures will include tests of documentary evidence supporting the transactions recorded in the accounts, and may include tests of the physical existence of inventories, and direct confirmation of receivables and certain other assets and liabilities by correspondence with selected individuals, creditors, and financial institutions. The Auditor will request written representations from the Township's compliance with applicable laws and regulations and the provisions of contracts and agreements. However, the objective of the audit will not be to provide an opinion on overall compliance and the Auditor will not express such an opinion.

G. The Auditor shall identify and ensure that the Township complies with

laws, regulations, contracts, and agreements. As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, the Auditor will perform tests of the Township's compliance with applicable laws and regulations and the provisions of contracts and agreements. However, the objective of the audit will not be to provide an opinion on overall compliance and the Auditor will not express such an opinion.

H. The Auditor shall also prepare the Annual Financial Statement, Annual Debt Statement and assist in preparing the budget. In this vein, the Auditor shall testify when required on the financial condition of the Township when in the opinion of the Township such testimony is required.

I. The Auditor shall also perform such non-audit services as may be greed upon by the auditor and Township so long as such services do not violate independence standards set forth by the AICPA Code of Professional Conduct and Government Auditing Standards, issued by the Comptroller General of the United States.

J. The Auditor shall when required, with regard to all temporary and permanent financing of the Township, prepare draft maturity schedules and tax rate projections, compile and print the Preliminary and Final Official Statements, assist in the application to obtain bond ratings, and cooperate with insurance agencies. The Auditor shall also assist in the preparation of the Annual Reports required by the Securities and Exchange Commission under Rule 15c2-12(b)(5)(i)(A) and (B).

4. **Residence.** The Township Auditor need not be a resident of the Township.
